Descrizione	<p>The story of Roberto Pietrosanti's three-decade-long career, as narrated by his works: the sculptures, works on paper, paintings, installations and interventions in public spaces. A multiform journey, its poetry spanning painting, sculpture and installations and characterised by a markedly conceptual approach, a powerful sense of material and a profound interest in the methods and stages involved in the construction of art.</p> <p>Images of the sculptor's studio complete the volume.</p> <p>Edizione italiana:  <a href="http://www.gliori.it/index.php?file=scheda_libro&amp;id=891">http://www.gliori.it/index.php?file=scheda_libro&amp;id=891</a></p>
